# Academy Explorers Camp Summer 2015

9 a.m.–4 p.m.  
Ages 5–12  
With optional  
before- and after-care

**JULY 6–10**

## Animal Inventions

Tap into your inner inventor as you observe nature and design something new inspired by animal attributes. Be inspired by science!

**JULY 13–17**

## Inside-Out

Discover what makes animals (including you) tick, and figure out how bones, organs, blood, and guts work together.

**JULY 20–24**

## The World of *T. rex*

Travel back in time to explore the world of *Tyrannosaurus rex*, and meet the real live descendants of these ancient beasts.

**JULY 27–31**

## Slimy Science

Wiggle with worms and squirm with salamanders to inspire your inner scientist with these icky, slimy experiments.

**AUGUST 3–7**

## Dino-lympics

Join the feathered frenzy, challenge yourself, and discover how well you'd measure up to the dinosaurs.

## Did you know?

*T. rex* at some point in its life most likely had feathers.

Each week features an exciting  
field trip, live animal  
encounters, and campers-  
only special events!

**AUGUST 10–14**

## Bugstravaganza

Journey deep into the dirt and observe the world from a bug's point of view. Plus, get up close and personal with some real live creepy crawlies!

**AUGUST 17–21**

## Behind the Scenes

Become the ultimate Academy insider! Explore the museum's rarely seen collections, meet Academy scientists and try your hand at some seriously fun science.

**AUGUST 24–28**

## Animal Grossology

Get a closer look at animals and the disgusting things they do. Learn how puke, poop, and pellets can be fun, funky, and fascinating.

## SUMMER CAMP FEES
