Pre-Visit Stories

Café & Commons
(Lunchroom)
I can get food in the café.

I may have to stand in line and wait my turn to get my food.

I have to pay for the food at the cash register.
smells

The café serves different types of food.

There may be foods that I like.

There may be foods that I don't like.

I may smell the food even if I don't see the food.
If there are a lot of people in the café, the café can get noisy.

If I don’t like the noise, I can ask to sit at another place that is quieter.
sitting in lunchroom

I may be sitting in the lunchroom at the museum.

I may have to share a table with someone else in the lunchroom.

Every person will have a space to eat lunch.
lunchroom sounds

The lunchroom may be noisy.
I may hear people talking.
I may hear lunch trays being moved across the table.
I may hear chairs moving across the floor.
I may hear other noises.
If I don't like the noises, I can cover my ears or ask to go to a quieter space.
