Can you find...?

Look closely at our dioramas and find the following hidden animals or things.
Can you find them all?

1. I am a reptile and I like to hide in rocks, especially in the Black Bear diorama in North American Hall. Can you find me? What type of reptile am I?

2. I am a small insect that found my own way into the Tiger diorama. I even have my own plaque there! Can you find me? What type of insect am I?

3. I landed near the top of a tree in the Serengeti Plain diorama. I normally love to fly, but something here makes me want to stay. Can you find it? What is it?

4. I am eating a lizard in the Desert of Diversity diorama. Can you find me? Where am I located in the diorama?
