

Kids Club March Activity Sheet

THE ACADEMY
OF NATURAL SCIENCES
of DREXEL UNIVERSITY

Activity #1: *Outside In* is a great place for you to see and sometimes even touch live animals! Which live animal was your favorite today at *Outside In*? Why?

Activity #2: Did you see a new animal today that you had never heard of before? What did it look like?

Get your **March** stamp at the Visitor Services Desks. Do you have **eight** stamps yet? If you do, it's time to collect your prize in the Academy Shop!

Regular Hours:
Monday–Friday,
10 a.m.–4:30 p.m.

Weekends and
Holidays,
10 a.m.–5 p.m.

How well do you know the Academy?

The Academy's Founders Day is on March 21. Let's see if you can answer all of these Academy history questions. Don't worry, you can ask a staff member if you're stuck—just have them initial it! **Hint:** Most of these answers can be found around the museum.

1. In what year was the Academy founded? _____ initials: _____
2. The Academy is the oldest natural sciences institution in which hemisphere? _____ initials: _____
3. At which university does the Academy have its affiliation?
_____ initials: _____
4. What was the original name of the Academy?
_____ initials: _____

Now Open!

Tarantulas

Alive and Up Close

January 30—May 30

In the Academy's newest hands-on exhibit, *Tarantulas: Alive and Up Close*, you will come face-to-face with a stunning array of live tarantulas...fangs and all.

Create Your Own Tarantula

Tarantulas, like the Blue Cobalt and Curly Hair Tarantulas, are often named after their appearance. Draw and color your own tarantula and then give it a name!

This tarantula is named _____

because it _____
