

Kids Club November Activity Sheet

THE ACADEMY
OF NATURAL SCIENCES
of DREXEL UNIVERSITY

Activity #1: We have an exciting weekend happening at the Academy on November 25–27. Do you know what this weekend is called?

Activity #2: Play one of the games in our special exhibit, *Dinosaurs Unearthed*. Tell a staff member what you learned!

Get your **November** stamp at the Visitor Services Desks. Do you have **eight** stamps yet? **If you do, it's time to collect your prize in the Academy Shop! New prize available!**

Regular Hours:
Monday–Friday,
10 a.m.–4:30 p.m.

Weekends and
Holidays,
10 a.m.–5 p.m.

What am I?

Use the clues below to uncover some of the fun things you'll see and learn about during our special weekend!

1. I am active at night, I have powerful talons, and I have large eyes and a flat face. What am I?

2. I am a cleaning tool, I have a handle, and I am used to fly in the magical world. What am I?

3. I am known in the world of magic, I am always unique, and I help witches and wizards perform their spells. What am I?

4. I am a mammal, I am an herbivore (I eat plants), and I am known for jumping high and running quickly. What am I?

Answer above: Wild Wizarding Weekend
Answers below: 1. owl, 2. broomstick, 3.
wand, 4. rabbit

Now Open!

DINOSAURS UNEARTHED

Presented by Abington Friends School

Through January 16, 2017

Back by popular demand—roaring, moving, life-size animatronic dinosaurs invade the Academy for a multi-sensory experience for the whole family.

What are you thankful for?

November is known as a month to give thanks to the people and things in your life. Draw a picture below describing what you're thankful for.

I am thankful for _____ because

_____.
