

Kids Club September Activity Sheet

THE ACADEMY
OF NATURAL SCIENCES
of DREXEL UNIVERSITY

Activity #1: Visit *Outside In*, our center on the third floor that features live animals, learning spaces, and fun games. Ask a staff person what they love about *Outside In* and write it below.

Activity #2: Explore *The Big Dig* on the mezzanine and become a real-life paleontologist as you uncover bones. What bones did you find?

Get your **September** stamp at the Visitor Services Desks. Do you have **eight** stamps yet?

If you do, it's time to collect your prize in the Academy Shop! New prize available!

Regular Hours:
Monday–Friday,
10 a.m.–4:30 p.m.

Weekends and
Holidays,
10 a.m.–5 p.m.

Your Diorama

Our dioramas show different animals in their natural habitat. If you could make up your own diorama with your favorite types of animals and habitats, what would it look like? Draw it below!

Now Open!

DINOSAURS UNEARTHED

Presented by Abington Friends School

June 25, 2016—January 16, 2017

Back by popular demand—roaring, moving, life-size animatronic dinosaurs invade the Academy for a multi-sensory experience for the whole family.

Members' Night Trivia

September 30 is our annual Members' Night. This is an event where Academy scientists put together activities for our members to show what kind of research and work they do all year behind the scenes. Unscramble the words below to discover what each department studies.

<u>Department</u>	<u>Unscramble</u>	<u>Answer</u>
1. Ornithology	1. dibrs	1. _____
2. Entomology	2. snetsci	2. _____
3. Botany	3. tnpsla	3. _____
4. Malacology	4. luksolms	4. _____
5. Ichthyology	5. hfsi	5. _____
6. Paleontology	6. slfisos	6. _____

Talk to real scientists about the research and work they do right here at the Academy on Members' Night! Register online at ansp.org/members-night.

Answers: 1. birds, 2. insects, 3. plants, 4. mollusks, 5. fish, 6. fossils
