

HAPPY EARTH DAY!

Go outside and admire the awesome world around you.

Complete this scavenger hunt and bring it with you on your next visit to the Academy of Natural Sciences for a free child's admission with a paid adult admission.*

Can't print this page right now? No problem! Record your answers on a separate sheet of paper and bring it with you.

Already a member who visits for free? Email membership@ansp.org for a special renewal discount for completing your scavenger hunt.

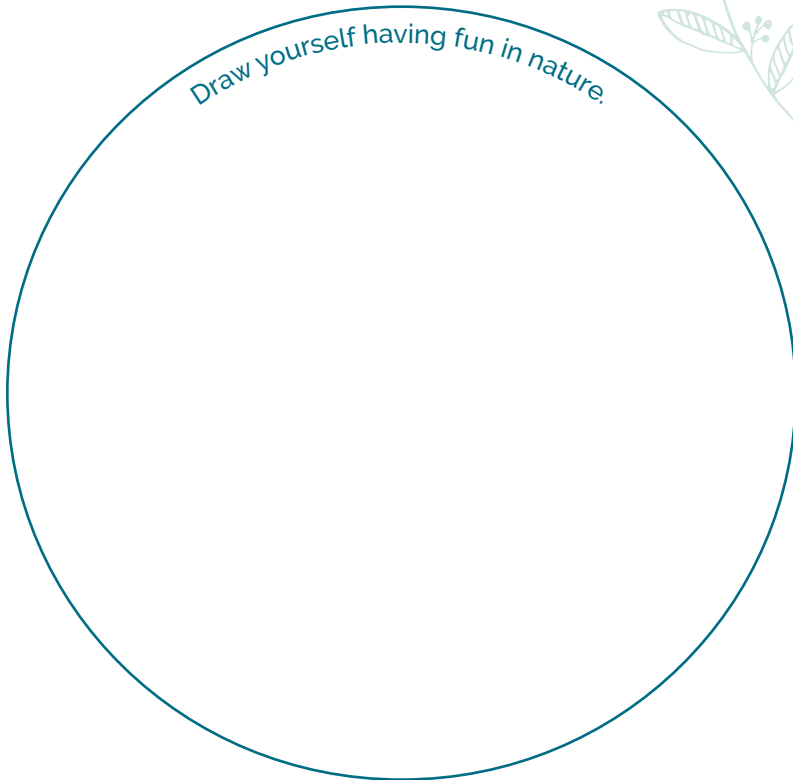

Smell a flower or hug a tree

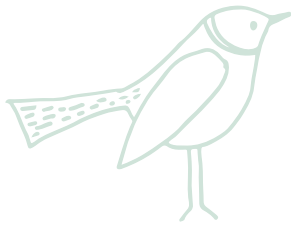

How many trees can you see?

Draw yourself having fun in nature.

Reuse something from your recycling bin to make something new. What did you make?

How many different birdcalls do you hear?

What are 3 things you can do at home to help make the Earth cleaner and healthier?
Do each one today!

1. _____

2. _____

3. _____

What is your favorite animal and where does it live?

What does this animal need to survive?

How can you help protect this animal?

Draw a pollinator visiting a flower

Safely pick up 5 pieces of trash
(Get an adult to help you and remember to wash your hands!)

Find as many of these as you can!

- Flowering tree
- Spider web
- Squirrel
- Cloud
- Bird
- Rock
- Stream or pond
