Three-finger sloth drawing

Sloths use their hands to help them move and complete activities they need to do to survive. How well would you do in your daily activities using a sloth's three fingers?

Know before you begin

- This activity can be done inside or outside
- All supplies are easy to find, substitute or modify
- Adult supervision is recommended
- Please choose a safe space for this activity

Materials

- Markers, colored pencils or crayons
- Paper

Instructions

- Bring your pinky fingers in towards your palms.
- Bring your thumbs over your pinky fingers so only your middle three fingers are free.
- Using the markers, colored pencils or crayons, try to draw your favorite sloth.
- Once you master that, try with two fingers!
