Trilobite Mix and Match

Trilobites came in a variety of forms. These species of trilobites inhabited every niche in the Cambrian and Permian seas. Mix and match these trilobite features to make your favorite trilobite species.

Know before you begin

- This activity can be done inside or outside
- All supplies are easy to find, substitute or leave out entirely
- Adult supervision is recommended
- Please choose a safe space to play

Materials

- Trilobite body printout
- Trilobite body parts printout
- Scissors
- Tape or glue
- Crayons or colored pencils

Instructions

1. Print out trilobite body and body parts.
2. Cut out body and body parts.
3. Add body parts to your trilobite body.
4. Color in your trilobite.
