Extinction Survival Quiz

Many species have become extinct over time. What does it take to survive extinction? Take this quiz and find out.

Know before you begin

- This activity can be done inside or outside
- All supplies are easy to find, substitute or leave out entirely
- Adult supervision is recommended
- Please choose a safe space for this activity

Materials

- Extinction Survival Quiz
- Pencil

Instructions

Think about the animals that you see outside your house. Pick an animal to take the extinction survival quiz.

Some examples of groups of animals that have survived since before the time of the dinosaurs:

- Turtles
- Crocodylians
- Sharks
- Most types of invertebrates (cockroaches, dragonflies, millipedes, centipedes, spiders, etc.)
