The Dietrich Gallery

For your next event, step back in time — and in style — at the Academy's newly renovated Dietrich Gallery. Notable scientists, explorers and writers, such as Jane Goodall, Dian Fossey and Sir David Attenborough, have graced the library reading room with their presence. History surrounds you with built-in antique bookcases and comes to life with modernized lighting and acoustics, helping to create a one-of-a-kind, elegant event to remember.

The Dietrich Gallery

Located in the heart of Philadelphia, the gallery's two-story windows set beneath a dramatic, 22-foot-high coffered ceiling not only let in ample natural light, but also grant a scene-setting view of Center City. The wood floors are original to the space.

The Academy's exclusive partner, 12th Street Catering, is a premier, eco-friendly caterer in Philadelphia. 12th Street Catering creates events that are as environmentally friendly as they are unforgettable.

12th Street Catering makes "going green" a part of their everyday philosophy by:

Sourcing veggies, herbs and wildflowers from their very own rooftop garden.

Serving as a proud member and supporter of the Sustainable Business Network of Greater Philadelphia.

Upholding company-wide recycling policies, including an on-site compactor for recycling cardboard and plastic.

Composting all leftover ingredients in their facility in Philadelphia.

Utilizing biodegradable plates and utensils made from fallen palm leaves and corn starch.

The Dietrich Gallery

The Dietrich Gallery is a 2,400-square-foot blank canvas, offering a versatile space that can be customized to suit your event's unique vision. It can accommodate up to 200 guests for a standing reception or 150 guests for a seated dinner with dancing, providing endless possibilities for personalized layouts and setups.
